

Murdoch University Indigenous Engineering Pathway Scholarship

Terms and Conditions

As a successful recipient of a **Murdoch University Indigenous Engineering Pathway Scholarship**, I agree to the following terms and conditions and understand that it is my responsibility to adhere to the following conditions:

1. I must remain enrolled in a full-time, internal Bachelor of Engineering Technology program at Murdoch University for the full duration of my scholarship, unless granted an exception for exceptional circumstances. If I transfer to the Bachelor Engineering Honours program, then the remaining amount of my Scholarship will be transferred, and I will receive payments as per the Murdoch University Indigenous Engineering Pathway Scholarship schedule.
2. I must seek independent advice from the relevant authorities on the effect, if any, that the scholarship may have on my eligibility for income support; or any tax implications.
3. I must notify the Scholarships & Prizes Office in writing immediately if I:
 - a. Wish to transfer to another academic program within the University.
 - b. Wish to study abroad on a Murdoch University affiliated placement.
 - c. Wish to transfer to another institution.
 - d. Seek a retrospective withdrawal from any units I have enrolled in.
 - e. Apply for Approved Leave.
4. I understand that I will forfeit the Scholarship if I:
 - a. Defer my studies, and/or terminate my enrolment.
 - b. Transfer to another institution.
 - c. Transfer from full-time to part-time study (unless I have been granted an exemption).
 - d. Do not maintain a Pass average which is a Weighted Average Mark (WAM) of at least 50%.
 - e. Fail to provide up to date contact and/or financial details to the Scholarships and Prizes Office when requested.
5. I agree and acknowledge that changes in my enrolment may make me ineligible to receive scholarship payments. In the case that I am deemed ineligible I may be placed on a breached status of six months without payment. This status would provide me with the opportunity to improve my grades or study part-time, to then be considered for payments in the following semester. This opportunity would occur only once for the duration of the scholarship, and is at the discretion of the Scholarship & Prizes Office and the School of Engineering and Energy.
6. I understand that continuing to receive payments that I am ineligible for will result in action taken by the university. In the case of receiving ineligible funds, I will be required to repay all ineligible payments to the Scholarship & Prizes Office within a 3 month period.
7. I understand that I may be approached by the Scholarships and Prizes Team for a testimonial regarding receipt and impact of the Scholarship for future promotional purposes, but that I will be able to decline if I choose.
