

# Future Student Engagement Options

The Murdoch Future Students Team can provide a number of **FREE** services for secondary students. From presentations tailored to specific year groups, to one-on-one course counselling sessions, our team is experienced in providing guidance to students related to course information and pathways into Murdoch University.

## Presentation Options

In 2025, we are launching a new offering of “interactive” presentations. These include the same information as a traditional presentation, but are delivered in the style of a quiz, allowing for hands-on interaction. Our presentations are suitable for both in-school and on-campus visits. Access to electronic devices is required for the interactive options.

### Year 10

# Other Engagement Options

## Course Counselling Sessions

15 minutes each

- Year 10 – 12
- One-on-one course counselling sessions at your school to discuss course information and pathways
- Parents and guardians are welcome to join
- Sessions available online via Microsoft Teams for regional or remote students

## On-Campus Visits

allow for a minimum of 3 hours

- All year groups
- Held on Murdoch University's South Street campus
- Small groups to whole cohorts, for both local and regional schools
- Bespoke visits tailored to your students' areas of interest and time available
- Can include campus tours, interactive activities, or presentations

## School Expos & Parent Evenings

recommended no longer than 4 hours

- All year groups
- We are available to attend school expos and parent information evenings
- We can send representatives from our team, as well as our Student Ambassadors, to share more about courses and pathways at Murdoch

## Course Explorer Workshop

minimum 60 mins  
recommended 60 mins

NEW IN  
2025

- Year 11 – 12
- Immersive in-school or on-campus workshop
- Learn how to navigate Murdoch's Course Visualiser tool
- Design an *example* course plan by exploring majors, minors and electives, and learn about timetabled learning activities
- Computer access required

# Student Ambassadors

We have a team of current students and recent graduates who work with us to speak about life at university. From course information, interactive workshops, or simply sharing their journey, our Ambassadors are here to help your students learn about university life first-hand.

## Drop-in Sessions

Varied

- Year 9–12
- A group of Ambassadors can visit your school during scheduled teaching periods or lunch for an informal, student-led chat
- Ambassadors set up at tables around a room, allowing students to speak to the Ambassadors that align to their area of interest

## Student Panel

minimum 30 mins  
recommended 60 mins

- Year 10 – 12
- Ask a selection of our current and past students about pathways, their university experience, and their advice for future students
- Questions can be collection prior to the session for ease

## Presentations

Varied

- Our Ambassadors are able to deliver short presentations covering their course, pathway, and their student experience
- Time can be tailored depending on availability
- Recommended to pair with a Year 10, Year 11 & 12, Pathways, or Regional Presentation

# Interested in our **Enabling Pathways?**

We have a dedicated **Student Pathways Relationship Officer** who is here to answer your questions about our Enabling Pathway programs. Whether you have a student currently completing one of our programs, or you are a teacher looking to work with us, please email us at [engage@murdoch.edu.au](mailto:engage@murdoch.edu.au) to discuss how we can support you.

## Get involved with our **Events!**

Our team coordinates a variety of events for both students and parents throughout the year, including **Parent Information Evenings**, **Murdoch University Open Nights**, and more.
